

Investing for Success

Under this agreement for 2017

Prairie State School

\$5000.00*

This funding will be used to

- Increase the percentage of students achieving a 'C' standard in English to 100% by 2017.
- Increase the students in Prep to Year 2 achieving PM regional benchmarks to 100%.
- Ensure all students in Prep to Year 6 are achieving Cluster targets in the Literacy continuum P to 10.

Our initiatives include

- Provide focused and intensive literacy intervention targeted at students not yet achieving a 'C' level in English in order to improve the quality of their demonstrations of learning against the relevant year-level achievement standard.
- Embed a consistent whole school approach to Teaching with a Literacy Focus which focuses on students analysing and composing texts using a combination of contextual, semantic, grammatical and phonological knowledge.
- Continue to build the capacity of the second teacher and Teacher Aide to assist with the implementation of our Reading Framework.

Our school will improve student outcomes by

- | | |
|---|--------|
| • Using the Literacy Continuum materials across Prep to Year 6 to inform teaching, Learning, resourcing and track progress | \$500 |
| • Upskill teachers in the use of OneSchool so that all teachers are using the developmental maps markbook, and dashboard functionality. | \$500 |
| • Purchase additional staffing to implement and embed whole-school literacy intervention. | \$4000 |
